Limited Review Report

To,
The Board of Directors of **Mahamaya Steel Industries Ltd.**

1. We have reviewed the accompanying statement of unaudited standalone financial results ('the Statements') of M/s. Mahamaya Steel Industries Ltd, ('the Company') for the quarter and six months ended on 30th September 2017 attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations).
2. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review. Attention is drawn to the fact that the figures for the corresponding quarter ended on 30th September 2017 including the reconciliation of profit under Ind AS with profit reported under previous GAAP, as reported in this statement, have been approved by the Company's Board of Directors, but have not been subjected to review.
3. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, *Review of Interim Financial Information Performed by the Independent Auditors of the Entity* issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued there under and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and SEBI circular No.CIR/CFD/FAC/62/2016 dated 05/07/2016 including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. We draw attention that the company has recognized electricity duty receivable amount of Rs. **11.25** lakhs by the way of reversing electricity duty expenditure for the half year; in the absence of reasonable certainty of the ultimate collection, the receivable amount is not yet crystallized. Accordingly, the profit before tax and current asset for the half year ended 30th September 2017 should have been reduced to that extent. Our conclusion is not qualified in respect of this matter.

Limited Review Report

To,
The Board of Directors of **Mahamaya Steel Industries Ltd.**

1. We have reviewed the accompanying statement of unaudited standalone financial results ('the Statements') of M/s. Mahamaya Steel Industries Ltd, ('the Company') for the quarter and six months ended on 30th September 2017 attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations).
2. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review. Attention is drawn to the fact that the figures for the corresponding quarter ended on 30th September 2017 including the reconciliation of profit under Ind AS with profit reported under previous GAAP, as reported in this statement, have been approved by the Company's Board of Directors, but have not been subjected to review.
3. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, *Review of Interim Financial Information Performed by the Independent Auditors of the Entity* issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued there under and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and SEBI circular No.CIR/CFD/FAC/62/2016 dated 05/07/2016 including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. We draw attention that the company has recognized electricity duty receivable amount of Rs. **11.25** lakhs by the way of reversing electricity duty expenditure for the half year; in the absence of reasonable certainty of the ultimate collection, the receivable amount is not yet crystallized. Accordingly, the profit before tax and current asset for the half year ended 30th September 2017 should have been reduced to that extent. Our conclusion is not qualified in respect of this matter.
